LETTER FROM THE PRINCIPAL

Happy New Year! 2022 is finally here, and I hope that it will be better than 2021, also I hope that the pandemic we are all going through will be over. This year our main goal is to improve our nursery for the better for our children because they are our priority.

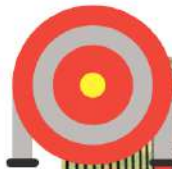

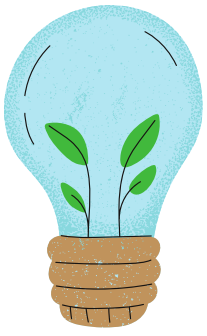

EMERGENCY EVACUATION

We did a training on emergency evacuation, we do this training from time to time to make sure that our teachers can act quickly and that our children are safe with us. We got 2 color paper which is green and red to indicate whether the children are with them or not. It is extremely important to us that we do this training in case of a real event, we would be ready.

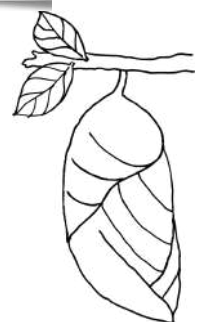

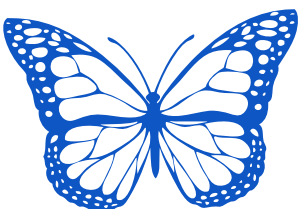

THINGS TO GROW

The theme of this month is about Things to grow. We teach our children about living things and non-living things also how things grow. It was an enjoyable process for our children to learn, we did lots of activities regarding the topic.

ص

LETTERS

m

Our children learn the letters M, D and G with Arabic letters such as ص - ش - س. We give our children lots of examples to be able to memorize and distinguish between the letters such as exercise, pictures, and toys.

D

س

NUMBERS

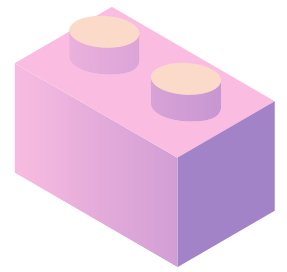

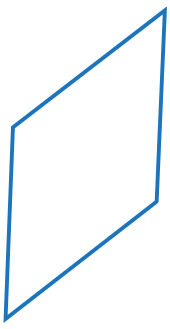

13

For the numbers section, we revise all the numbers from 1 to 11, and we introduce new numbers which are 12, 13, and 14. We included indoor and outdoor activities to let out children have fun while learning the numbers.

SHAPES AND COLORS

This month we teach our children all types of shapes with all types of colors! It was an enjoyable process and our children truly had fun learning all the shapes and colors. We played with blocks, matchmaking, coloring, and much more.

CUTE BABIES

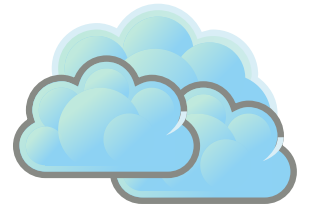

We got new pictures to share with our lovely babies!
