LETTER FROM THE PRINCIPAL

I am so excited that the summer is here! Can't wait to share with you our plan for this summer. I am confident that our children will have tons of fun because of our enjoyable activities.

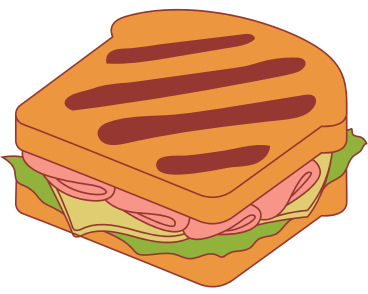

Art and Music

This theme is music and art. We do lots of activities such as painting, dancing, musical instrument and sport! We also include music and art at mini chef and water games days!

Mini Chef

We look forward to this month because it is a really enjoyable experience for our children to learn about space. We introduce them to many things such as rockets, astronauts, planets, and more!

Water Games

Every Thursday we have water games! It is the most enjoyable activity for our children. We did lots of competitions and we got lots of slides for our children to play with. Before we end our water games, our children eat ice cream and delicious fruits!
