# LETTER FROM THE PRINCIPAL

We started a brand new term for 2022-2023. We are welcoming lots of new children to our family. We are planning lots of interesting and new ways of teaching our children. It is important to us to make new children feel welcome.

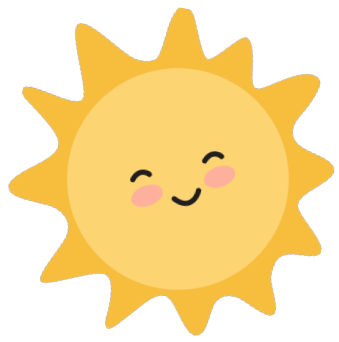

# My Body and I

This month we will be talking about the 5 senses as well as the body parts. We teach the children the names of the body part, also, we teach them about smell, touch, colors, sound, and voice.

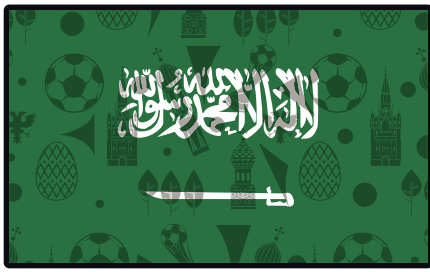

# Sunshine Day

on the 22nd of September, we had an event called Sunshine Day. It is all about Yellow, the sun and bright colors. We had a lot of fun celebrating this day with art, games, and music. Thanks to the parents that participate the event by sending snacks that is related to Sunshine Day.

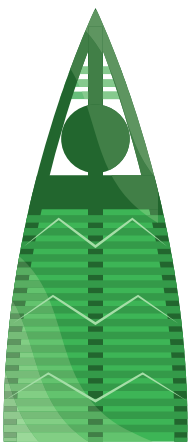

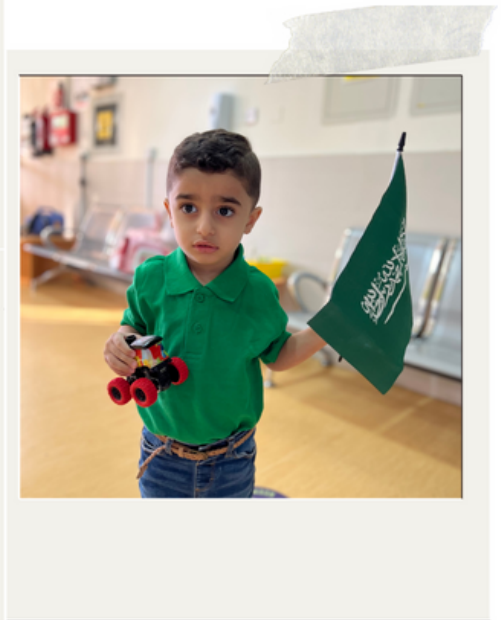

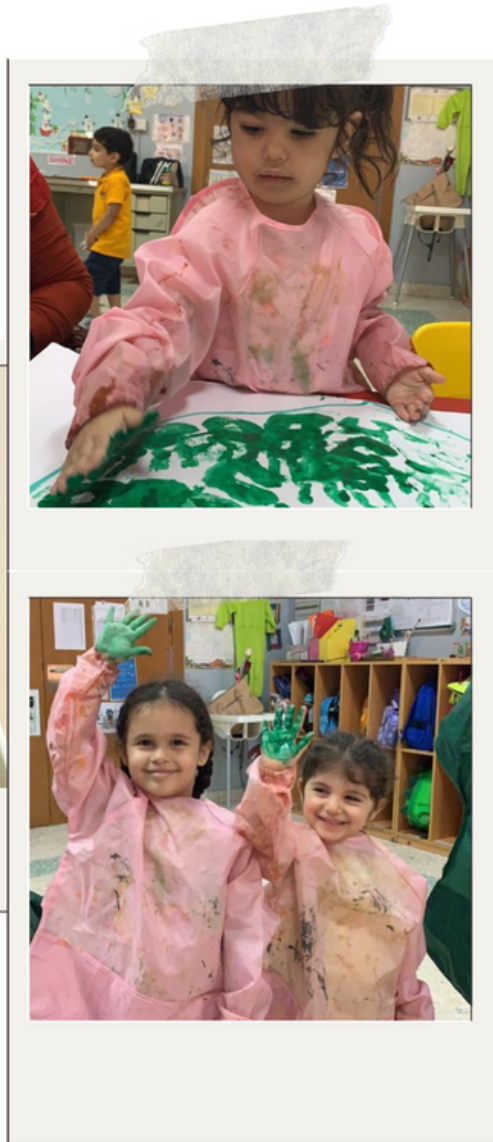

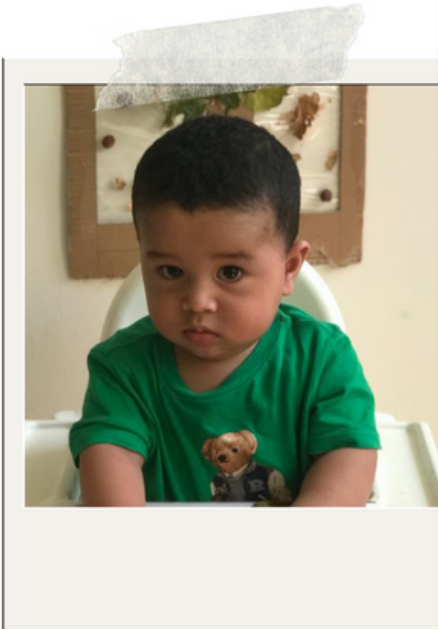

# Saudi Arabia National Day

On Friday 23th of September, it was Saudi Arabia (KSA) National Day. We celebrated by asking the parents to let the children wear a green t-shirt representing the KSA flag. We celebrated with KSA national anthem and music. We thank the parents that sent extra flags and goodies for the children.

# LETTERS

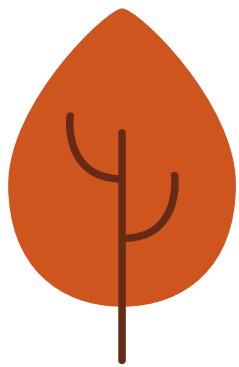

Our children learn the letters A with Arabic letters such as أ - إ. We give our children lots of examples to be able to memorize and distinguish between the letters such as exercise, coloring, pictures, and toys.
